

# 10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach,  
Sluggish Liver and Bowels—They  
work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

## Treatment of Seed Oats

Loose smut on oats is a fungous disease of the oat plant which causes serious losses to this crop. This disease is very noticeable after the plants begin to head, the flowers of infected plants being almost completely replaced by a mass of fine, black, dusty spores.

Oat smut may be prevented by soaking or sprinkling the seed thoroughly with some solution which will kill the spores without injuring the seed. The most common solution used is formalin and the treatment is made as follows:

Mix one pint of commercial formalin with 40 or 50 gallons of water in barrels or other convenient vessels. Immerse the oats in this solution, stirring well so that all will be thoroughly soaked. Pour off the solution, dump the oats out and stir them occasionally until dry. Another method employed is to sprinkle the oats with the solution until they are well soaked, and then heap them up in a pile and cover with blankets or sacks. Leave them in this pile for five or six hours, or even over night, and spread them out to dry. Stir frequently until thoroughly dried, after which they may be sacked and set aside until seeding time. Formalin may be obtained from any drug store.

Machines for treating oats and wheat for smut are on the market. In these the grain is passed through a tank containing the formalin solution and then dumped out on the floor to dry. Such machines are not expensive and are very satisfactory.

Formalin is poisonous, but in this weak solution it will not injure the hands and is perfectly safe to handle. Since the formalin volatilizes rapidly, oats thus treated that are not needed for seeding may, after thoroughly drying and airing, be safely fed to stock.

## Rheumatism

Just put a few drops of Sloan's on the painful spot and the pain stops. It is really wonderful how quickly Sloan's acts. No need to rub it in—laid on lightly it penetrates to the bone and brings relief at once. Kills rheumatic pain instantly.

Mr. James E. Alexander, of North Berwick, Me., writes: "Many strains in my back and hips brought on rheumatism in the sciatic nerve. I had been one night when sitting in my chair, that I had to jump on my feet to get relief. I at once applied your Liniment to the affected part and in less than ten minutes it was perfectly easy. I think it is the best of all Liniments I have ever used."

## LIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

## FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped  
By Common Sense  
Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.
